Focus Parking Survey (CPZ)

The Olympic Parking Zone from Lea Bridge Road to the Olympic Park ended on the 9th September. The Council has decided that residents of the roads which do not have a Council Controlled Parking Zone (CPZ), having seen how a parking zone works, will now be consulted on whether they would like to have one. The consultation documents are due out **24th September** and have to be returned by **19th October**. Some residents are angry that the roads that have previously gone through a Council consultation on a CPZ are to have another one.

The Lib Dem Focus Team is aware that in previous consultations many residents have queried the results. We would therefore like your views on a proposed Parking Scheme in your road. Please tick the boxes in the survey below:

Neal Chubb

The Lib Dem Focus Team regret to report the recent death of Neal Chubb. Neal was a Walthamstow Councillor in the nineties, but for over 15 years worked tirelessly for other people as a member of the Grove Green Focus Team and in his role of Chair of Governors at Jenny Hammond School and Governor of Dawlish School. He was also Chairman of the Council's Appeals panel.

Fellow Lib Dem colleagues, Councillors Bob Sullivan, Winnie Smith and Naheed Qureshi agreed that Neal was a 'one off' whose energy and good humour will be greatly missed by all who knew and worked with him.
